THE PADDOCK SUITE & LOUNGE

Capacity: up to 220 people

The Paddock Suite is one of Bangor-on-Dee's larger event spaces, comfortably seating 170 guests but versatile enough to be used for smaller events and evening receptions. Its glass façade overlooks the Paddock and allows plenty of natural daylight to flood into this space. The added bonus is views over the rolling Welsh countryside. In warmer weather, many clients take advantage of the rural setting and opt for receptions or lunch outdoors. Space is something we're not short of at Bangor-on-Dee so this venue is perfect for those wanting space and privacy.
